Family Catechesis-

We are sorry that you missed our session on November 5. We did a Saint Scavenger hunt for our activity. To receive credit for the November session, please write a short summary on a Saint. You can pick a patron saint for your family or a favorite Saint. Please include the name of the Saint, when/where they lived, what they did during their life that made them a saint. The summary doesn't need to be very long, 4-5 sentences. You can go to www.catholic.org/saints to find information on the saints.

If your child is not able to complete this assignment, the alternate is to complete a shoe box for Operation Christmas Child. Here is the website for further information on what can be included.

These must be turned in to the RE Office by Nov. 15. We have a parishioner that will be collecting them from our office.

Our next session is Dec 10. We look forward to seeing you then.

God Bless,

Sue Theodore
